RESPONSE TO RESTRICTION REQUIREMENT

Assistant Commissioner of Patents and Trademarks
Washington, D.C. 20231

Sir:

In response to the Office Action mailed January 29, 2003, Applicants elect for prosecution in this application Group III drawn to functional heterotrimeric G protein polypeptide comprising an α subunit comprising a first fluorescent or luminescent moiety and a β subunit comprising a second fluorescent or luminescent moiety. This group is designated as containing claims 11-25, and 56-57.

A one-month petition for an extension of time accompanies this election to make it timely.

Respectfully submitted,

Date: March 14, 2003
